

Co-Curricular Program

The co-curricular program consists of:

- A. Activities that are curriculum-related and have been approved as part of the associated student body program; and
- B. Curriculum-related activities that are not part of the associated student body program and which satisfy the conditions and criteria established in this policy.

Each approved group shall operate under the guidelines set forth by the principal, including, but not limited to, objectives, membership, supervision, proposed activities, and funding.

In order to be curriculum related an activity must meet at least one of the following criteria:

- A. The subject matter of the activity is actually taught or will soon be taught in a regularly offered course;
- B. The subject matter of the activity concerns the body of courses as a whole;
- C. Participation in the activity is required for a particular course; or
- D. Participation in the activity results in academic credit.

Recognized curriculum-related groups shall have use of school facilities and equipment under terms set forth by the school principal. Groups that are not recognized as a part of the co-curricular program may apply for use of school facilities under conditions set forth in Policy 4260, *Use of School Facilities*.
