Entrance Qualifications for Kindergarten Program

As a minimum, eligibility for the exemption from the age requirement will be based upon an analysis of the child's (1) physical, health and motor development; (2) social and emotional development; (3) approaches toward learning; (4) language, literacy and communication; and (5) cognition and general knowledge. Where feasible, assessment devices will be used that will permit students who are to be considered for exemption to be compared to the level of performance that would be expected of children with a chronological age of 5 years for kindergarten and 6 years for first grade in each of the areas of ability.
